

SCRAP QUILT 2.

This patchwork quilt can be made in any size. Sort out scrap fabrics into lights and darks. You can have a theme: e.g. autumn colours, stars, farm animals etc. Cut fabric pieces to measure 3.5 inches x 2 inches.

Use ¼" seams and hand or machine stitch pieces together into blocks as follows:

Dark	Light
Dark	

Light	Dark

Make equal quantities of each of these blocks.

Stitch these small blocks into strips and join as shown below:

Dk	Lt	Dk	Lt	Dk	Lt	Dk	Lt	Dk	Lt	Dk	Lt
Dk		Dk		Dk		Dk		Dk		Dk	
Lt	Dk	Lt	Dk	Lt	Dk	Lt	Dk	Lt	Dk	Lt	Dk
Lt		Lt		Lt		Lt		Lt		Lt	
Dk	Lt	Dk	Lt	Dk	Lt	Dk	Lt	Dk	Lt	Dk	Lt

Continue until you reach the required size and then layer with wadding and backing, quilt and bind.
