

## Strippy Quilt

Finished size approx 40" x 38".

Requirements: 7 Fat Quarters

Out of each fat quarter:

- Cut 2 x 6" strips across width of fabric. (They will be approx 21" long)
- 1<sup>st</sup> strip - cut into 2 pieces. One 15" and one 6"
- 2<sup>nd</sup> strip - cut into 2 pieces. One 12" and one 9"

Join pieces together to make 7 long strips using different colour combinations in each and varying the position of the different lengths and colours of fabric in each one.

NB: Each strip must have a 6", 9", 12" and 15" piece.

- Layer and quilt.
- Use left-over fabric from the fat quarters for the binding.

N.B. This can also be made from fabrics in your 'scrap bag'. Just cut 7 pieces of each size given above – Total of 28 pieces.
