

Tumbling Squares

Finished quilt size: 39" square (6 blocks x 6 blocks)

Block size: 6.5" square (finished)

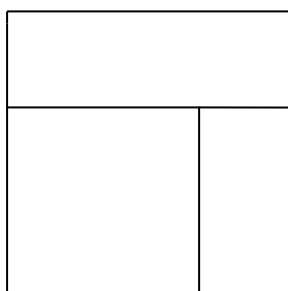

Requirements for the quilt top:

A selection of fabrics cut into 5" squares

Background fabric 2.5" wide

Method:

- Stitch the background fabric onto 2 adjacent sides of each square using $\frac{1}{4}$ " seams. Ensuring that each block has the 2 pieces of background fabric stitched on in the same way.

- Trim squares to size (7" x 7") if necessary.
- Stitch squares together alternating their orientation as shown below.
- Layer with wadding and backing, quilt and bind.
